Report of Principal and School Improvement Council

The 2013-2014 school year – our 10 year anniversary -- has been a phenomenal one at Sangaree Middle School. It has been another challenging year as we implemented the instructional units in math and ELA that are tied to the Common Core State Standards. Our staff continues to raise the level of rigor in all areas of the curriculum by implementing new instructional strategies to actively engage students in learning. Our Professional Learning Communities have strengthened as a result of this focus on CCSS units.

Our Making Middle Grades Work focus teams have been hard at work organizing “Data Buddies” to help students set realistic goals based upon performance, hosting family events such as Family Movie, and providing transition activities for incoming and outgoing students. Our leadership team conducted a staff book study on Do You Know Enough About Me To Teach Me? By Stephen Peters.

As we continue our focus on continuous improvement, we have seen the results in student successes. This year, 16 students were recognized as Junior Scholars and 3 as Duke TIP Scholars, and we have a total of 115 students in Junior Beta Club. Our arts department continues to garner awards and recognition with numerous students winning ribbons for visual arts in the Coastal Carolina Fair, 19 students participating in All County Chorus, 33 in All County Junior Orchestra (comprising more than 1/3 of the orchestra!), 14 in All County Junior Band, 9 in Regional Band, and 19 in Beginner All County Band. It is no wonder that our 6th grade orchestra received a “Superior” Rating in Concert Festival with our 7/8th receiving “Excellent” and our band received a “Superior” Rating. Additionally, our band received the prestigious Outstanding Performance Award for the 10th consecutive year! Other student accomplishments include 1st place in the middle school accuracy competition and 2nd place in the “Best of the Best” in the Trebuchet competition, two 3rd place finishes for Level II Social Studies and Level II Composition at the 2014 Trident Technical College Quest competition and an “All American” Wrestler! Service learning is a vital part of our program where students give back to the community through the Jr. Beta fund drive for the Make-A-Wish foundation and our supply drive for the Callen Lacey Home. Additionally, we are proud to say that we partnered with Google to provide an after school coding camp and that we garnered a Boeing/MUSC fitness grant! We are also very proud of our community partnerships that help us to achieve our mission. Our students continue to experience success in all aspects of our school.

We ended this year with the implementation of BYOD (Bring your own Device) and will continue to strive for technology integration in our classrooms.

Mrs. Margaret Day, Principal

Dr. DaNine Fleming, SIC Chair

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	75.9
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Sangaree Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
